

# ZEBRAFISH HUSBANDRY WORKSHOP SCHOLARSHIP APPLICATION

WORKSHOP DATES: FEBRUARY 23-24, 2016 • DEADLINE TO APPLY: OCTOBER 31, 2015

The Zebrafish Husbandry Workshop began in 2005 as a forum to bring together veterinarians, researchers, and laboratory technicians and managers to discuss, share, and learn about all things related to the husbandry of laboratory zebrafish. The Workshop takes place within the Aquaculture America Meeting or World Aquaculture Society Meeting at a different U.S. location each year. Over the past decade the workshop has grown in attendance, and is now the annual meeting site for the U.S. Zebrafish Husbandry Association. The workshop includes peer reviewed presentations, speakers organized by Aquaneering, Inc., and a Town Hall Meeting following the workshop. CEU (AALAS Continuing Education Units) are earned for attending. The Aquaneering scholarship will be awarded to a first-time attendee to the workshop based on merit and need. Attendance to the workshop and tradeshow is provided, along with hotel accommodations for 2 nights and air transportation through Southwest Airlines within the U.S. (air transportation is not provided for international travel).

*By checking this box you are confirming that you would be a first-time attendee to the Zebrafish Husbandry Workshop.*
